Collection: Kneepads

Range: PPE Accessories

Materials: EVA Foam

Inner Pack: 24

Outer Carton: 96

Product information

The ultimate in knee protection and wearer comfort. Ergonomically designed knee pads providing durability, comfort and protection. This knee pad fits all Portwest garments and does not hinder the wearer in any way when walking.

Kneepads

Portwest knee pads offer a range of knee protection to suit every situation, type 1 (strap on knee pads), type 2 (insert knee pads) and type 3 (kneeling pads). All Portwest knee pads use premium high density material to give the user the best protection possible for their knees no matter the hazard. Diverse materials such as EVA foam, neoprene rubber and silicone gel inserts are used to ensure maximum wearer comfort. Ergonomics is a key feature in our knee pads design and is backed up in the positive feed back we receive from our wearer trials.

PPE Accessories

Offering you a variety of products that can ensure safety and protection within your workplace. Ranging from visual warnings for indoor and outdoor use, to back support for tasks relating to heavy lifting.
